

Digital Self Portrait

Digital Medium: Pixlr

Student Outcomes:

- I will explore self portrait artwork by various artists (master artists and student artists).
- I will demonstrate knowledge of various Pixlr tools (layers palette, filters, selection tools, paint tools, etc.)
- I will be able to self-assess and critique my own work as well as the work of others by demonstrating knowledge of description, analysis, interpretation, and judgment.

Procedures:

1. Choose a photograph of yourself or have one taken. Draw your self-portrait or upload it to Pixlr.
2. Create a FINAL composition using both traditional art materials and Pixlr.
3. CREATIVITY IS KEY! Use images provided for inspiration.

Checklist:

- I have a photo of myself (either digitally uploaded or hand-drawn).
- I have hand-drawn or digitally created imagery that represents me.
- I have used at least three Pixlr tools in my digital self-portrait.
- I have used at least two traditional art materials in my self-portrait.

Grading Criteria:

- Artist must use digital mediums.
- Artist must include imagery that represents themselves.

**See general grading rubric.*
