

PORTFOLIO –Name with Creative Images

Project Objective(s):

1. Students will create a portfolio (to store their artwork) using creative letters, images, and patterns related to an overall theme.
2. Students will effectively use coloring techniques (shading, stippling, hatching, cross-hatching, outline, burnishing, and/or squiggle) to create the illusion of **FORM**.
3. Students will review and explore the art element **SHAPE** (organic and geometric).

Procedures:

1. Fold paper in half like a hamburger.
2. Using **ONLY** pencil, create your first name and last initial using creative subject matter (refer to example).
3. Outline your letters colored markers to create emphasis, color them in with colored pencil (using the coloring techniques) using value where necessary.
4. Draw a creative “frame” around your name
5. Create interesting silhouettes in the background of your portfolio.(If time permits)

Grading:

Project must include:

1. Your name (each letter should be a different creative image) with an overall theme.
2. Use the coloring techniques learned in class to create the illusion of 3-dimensionality.

**Refer to general rubric.*
