

## “SWEET” Still Life

### Project Objectives:

T.S.W. – Demonstrate knowledge of realistic still life drawing techniques using colored pencils.

T.S.W. – Self –assess and critique own work along with the work of their peers demonstrating knowledge of description, analysis, and judgment.

### Procedures:

1. Arrange still life of sweets and take **4** photos. Make sure to capture an interesting composition while considering the elements and principles. Create **4 thumbnail sketches**.
2. Create a **rough draft** sketch (practice adding value using colored pencils if time permits).
3. Create a **FINAL** draft drawing in pencil first.
4. Begin to add accurate color. *\*Pay attention to highlights and shadows captured by the light.*

### Grading Criteria:

- Accurate representation of still life arrangement.
- Accurate value/shading techniques using colored pencils.
- Interesting composition.

*\*See general grading rubric.*
