

Van Gogh Style SELF PORTRAITS

Project Objectives:

T.S.W. explore portraiture, Vincent Van Gogh, and Impressionism.
T.S.W. create a self-portrait in the Impressionist style using oil pastels.
T.S.W. explore typography to apply in border design.

Procedures (Steps):

1. Bring in a photograph of yourself. (Photo should be close up).
2. Create a rough draft self-portrait to become familiar with the grid technique and drawing proportions of the face.
3. Using your image as a reference, create a contour outline drawing of yourself on paper.
4. Begin using oil pastels to create your portrait.
5. Create a typographic border including lyrics from your favorite song or a quote.

Grading Criteria:

You must...

1. Use at least 3 sets of complimentary colors (background, face/hair, clothes).
2. Use distinctive and energetic "brushstrokes" (oil pastels) in all areas of the portrait.
3. Include a typographic border.
4. Accurately resemble the style of a Van Gogh impressionist portrait.
