

Wire Sculptures

Artist Inspiration: Alexander Calder

Project Objectives:

T.S.W. Explore animal symbolism throughout various cultures.

T.S.W. Apply knowledge of the Art Elements Line, Space, and Form to create a 3-dimensional wire sculpture of a chosen animal.

T.S.W. Gain experience utilizing simple wire techniques.

Procedures:

1. Participate in one-liner drawing activity and challenge.
2. Create 3-4 thumbnail sketches of chosen animal using only ONE continuous line.
3. Using appropriate materials and techniques, manipulate wire into desired position.
4. Creatively mount wire sculpture on base and display.

Grading Criteria:

- Sculpture must resemble chosen animal

*Refer to general grading rubric.
